Profile Summary

Being a front-end web developer, I enjoy creating designs with which users will naturally wish to interact. It is always challenging for me to develop strategies for making the websites and I am familiar with HTML, CSS, JavaScript, and ReactJS. My goal is usually to have very attractive and interesting layouts.

Education

Kumaun University, Uttarakhand   Apr 2019 – Jun 2023
Bachelor's in Computer Application   *Percentage: 68.8%*
